Mississippi Farm Bureau

Ag in the Classroom

The objective of the workshops is to provide information to educate students and the general public as to the

AITC is an educational program designed to bring agriculture into the classroom. Its purpose is to increase agricultural literacy among students and educators by providing resources, training, and hands-on experiences related to agriculture.

Our mission is to cultivate a future generation that is informed, engaged, and empowered to make informed decisions about agriculture, food, and natural resources, ensuring the sustainability of our agricultural industry and the well-being of our communities.

Use the QR Code to visit our website & learn about more programs & resources for your classroom.

Suggested Programs:

- **“Potatoes for Pirate Pearl”**
 - **Sweet Potatoes**
 - **S.T.E.M. in Ag**
 - **Agricultural Tour**
 - **Teacher of the Year**
 - **Farm To Table**
 - **Virtual Reality**

Mississippi Farm Bureau Women will offer an educational, fun two days with workshops, resource materials, and hands-on classroom activities.

Teacher Feedback:

“Thank you for always providing fun & entertaining Workshops. I always look forward to attending every year.”

“Very much enjoyed—my first workshop and hopefully not my last”

“Wonderful workshop, food, environment, speakers and all the people have been terrific.”
